

**NORTHWEST GEORGIA REGIONAL COMMISSION**

**REGIONALLY IMPORTANT RESOURCE**

**NOMINATION FORM**

**September 10, 2010**

The Northwest Georgia Regional Commission is preparing a Regional Resource Plan for Bartow, Catoosa, Chattooga, Dade, Fannin, Floyd, Gilmer, Gordon, Haralson, Murray, Paulding, Pickens, Polk, Walker and Whitfield Counties. The Regional Commission is seeking nominations from individuals, interested organizations (such as land trusts, conservation or environmental protection groups), local governments, and governmental agencies for important natural, historic, and cultural resources located within the region. The goal of the Regional Resource Plan is to protect and manage the identified resources. The plan will include the following components: (1) a *Regionally Important Resource Map* that includes all of the important natural, historic, and cultural resources including an attempt to link these resources to form a continuous regional green infrastructure network; (2) *Guidance for Appropriate Development Practices* that should be utilized by developers for designing new developments to be located within one mile of Regionally Important Resources; and (3) *General Policies and Protection Measures* that should be utilized by local governments in making decisions that affect Regionally Important Resources.
