

NORTHWEST GEORGIA REGIONAL COMMISSION

Community and Economic Development Representative

The Northwest Georgia Regional Commission is seeking qualified candidates for the position of **Community and Economic Development Representative**. Duties include advising and assisting county, municipal governments and non-profits with community and economic development (CED) planning/projects. Knowledge of CED theories, principles, practices and grant-in-aid assistance is necessary. Knowledge of computers, interpersonal relationships, and oral/written communications is required. The candidate should have a level of competency commonly associated with a baccalaureate degree in a related occupational field. The candidate must be available for daily travel within a 15-county region and limited overnight travel.

E-verify, drug screening, and background checks **are required** for all new hires.

Employment application may be obtained at www.nwgrc.org or by calling (706) 295-6485.

Position open until filled.
